## Abraxas Best Buddies Club

Jan 15— Meet and Greet Potluck Dinner

Abraxas Best Buddies Club is starting up on campus in January. Best Buddies is a club designed to match up students with intellectually challenged students in our Transition Program to provide one-on-one friendships. This is an opportunity for students to grow together and develop understanding of one another. We already have 19 Abraxas students and 17 Transition students signed up and ready to go.

**Our first meeting will be on January 15th at 6:00 p.m. on the Abraxas campus.** This will be our "Meet and Greet Potluck" dinner. EVERYONE is invited, admission is a dish to share. At the potluck we will announce who the buddies are and celebrate the kick-off of our new club. The club will meet once a week during lunch and once a month have an off campus activity. I am very proud of the students from Abraxas for their enthusiasm towards the program. We really do have some wonderful students here at Abraxas and their efforts will be celebrated!
