On a cold and rainy Friday afternoon in late May, the Abraxas Eagles took on a spirited team from Ocean Shores Continuation High School. The game got off to a slow start as the fine mist and frigid temperatures slowed both teams. The Eagles could not find success in the first half until QB Ricky Joseph found Tony Liston on a deep completion to open up the scoring for Abraxas. The first half ended up being a defensive battle as neither team could pick through the other's defenses. The second half started off with a bang as veteran Geoff Gillum returned the opening kickoff 103 yards for a score. The only thing slowing Gillum down was his lack of a belt. A few minutes later Ocean Shores found their smallest player for a toss play off the right hand side. After their running back broke through the line, it was off to the races as he brought them within a score at 14-7. With time ticking down in the second half, Abraxas faced a long fourth down situation and the players refused to punt. Coach Casciato drew up a solution the impossible odds and relied on Ricky's arm to find a wide open Shawn Ahern some 40 yards down field. Ahern used his track background to take it to the house and put ABX up by 14. That score proved to be the nail in the coffin as Ocean Shores could barely mount an offense after that point. The Eagles secured their third straight victory over Ocean Shores and moved in a swarm to attack the barbeque that awaited them in the quad.
