

# *Bernardo Heights Education Foundation* *News*

2009-2010

## **NEW CHAIRMAN STEPS IN**

It is with great enthusiasm that I move into this position. I look forward to working with this year's Board of Directors who continue to support our mission of enhancing the educational experiences of all BHMS students. To accomplish this, we need the help and support of our BHMS families and business communities.

As the saying goes why reinvent the wheel and the Educational Foundation strives to grow with the fundraising programs that are already in place. With our Grocery Card fundraising program alone, we were able to collect over \$13,000.00. It is so simple, just register your Vons, Albertsons, and Ralphs grocery cards, please see the Foundation website for more information. Just think what we could do if every family at BHMS registered their grocery cards.

The Bobcat-A-Thon is another existing fundraiser that foundation with the support of our PE department would like to see grow. Last year we raised over \$4,000.00 and hope to see this double this year. This is a wonderful event promoting fun, exercise, and pride. Our Bernardo Heights Students are out there running hard to help support their school.

We have the Dime-A-Day program that we hope will raise over \$8,000.00 but we still need your support. Additional computers and software will be purchased with your generous contributions. Your child will directly benefit from your contributions.

I hope you will join the Foundation and help make BHMS the best middle school experience for your child. If you are interested in joining the Board, or have any ideas you would like to share, please contact me: [lynnrasche@yahoo.com](mailto:lynnrasche@yahoo.com) . We meet on the first Tuesday of the month in the Library. Next meeting is November 3, 2009, at 6:00 pm.

Lynn Rasche

BHEF Chairman 2009-2010
