

BEST BUDDIES®

Best Buddies is a non-profit organization dedicated to enhancing the lives of people with intellectual disabilities by providing opportunities for mutually enriching one-to-one friendships.

Best Buddies Middle School works to match students with and without intellectual disabilities in one-to-one friendships. By introducing Best Buddies to public and private middle schools, we are crossing the invisible line that too often separates those with and without disabilities. By starting at such an early age, students are further encouraged to accept individuals with disabilities.

Our first meeting for the 2009-2010 school year was held on Thursday, September 10. We will be setting up a regular meeting schedule and will be posting here once these have been decided.
