

# GROCERY SHOPPING? Help BHMS earn \$\$\$!

Every time you shop at Albertsons, Ralphs and Vons with your preferred or club card, you can help Bernardo Heights Middle School receive **up to 4%** of your grocery total! The money earned will be used by the Bernardo Heights Education Foundation (BHEF) to purchase campus supplies and fund campus improvements. With more participating families, **our school could receive \$1,000 or more per month** through this program!

**\*\*You must register your card(s) every year. \*\***

**Complete this form and return it with your registration packet or to the school office.**
