

## *Welcome Back to School*

We are excited for a new year to welcome your family and provide your child(ren) with the education and enriching experiences that makes Creekside such an outstanding school. We are fortunate to have such quality teachers who go beyond for our children and also you as parents that support our school, classrooms, and programs.

Please remember to join the PTA and support the many services and programs they make possible, through your contribution to the "No Hassle" fundraiser. The Creekside Education Foundation (CEF) is our other organization that supports our children in the classroom. If you have not already signed up for e-Scrip, this is a great time to do it. If you would like to know how the PTA and CEF support our school and various ways to contribute, please visit their websites. They can be accessed on the school's website.

I am looking forward to another great year and with your support through volunteering and donations we will continue to provide only the best for our children in these challenging economic times

Go Creekside!

Warm Regards,  
Robin Robinson
