

QUILTING – Beyond Beginning- Supply List

TEACHER – Susan Hopkins

This quilting class is designed for those who have completed the Beginning Quilting Class and are ready to move on to more challenging quilts. If you have quilted before, join us as we learn new techniques for fast projects to stitch up just in time for holiday gift giving. You may bring a pattern of your choosing or use one of the class samples. We will start out with the "Lover's Knot" (yardage for a wall hanging/crib-sized quilt is below). After the "Lover's Knot" is completed, redwork and appliqué quilt patterns will be available during class as well as patterns for small quilting projects, perfect for those holiday gifts.
