

School Wide Supply Drive

Due to all the budget cuts we are low on school and classroom supplies. To help out with this we are having "Supply Drives". Each drive will be for a specific item that is needed at that time. If you would like to help out and donate supplies simply bring them to school and drop them off in "The Supply Box" by the MPR drop off/pick up zone or the main front gate!!!

From October 16th -
November 6th

We will be collecting

- Dry erase (non-odor) markers
- Ink Cartridges—HP 96 (b/w) and HP 97 (color) .

Drop off boxes will be by the main front gate and the MPR/pick up/ drop off zone.

Sponsored by the Garden Road PTA
