

Save Our Supplies (S.O.S)

A number of parents have asked what they can do to support our budget needs this year. If you would like to help us “save our supplies” during this very tight budget year the staff suggests the following donations over the next few months:

- **September-October** – A ream of white copy paper (please drop off in the office and we will keep the copy machines supplied)
- **November** – EXPO Dry Erase Markers (chisel tip) and Expo Dry Erasers (drop off in the office for distribution to staff)
- **December** – Printer ink cartridges (individual teacher’s make and model will be published in a future issue)

Thank you for ALL the ways you support Rolling Hills every day. We could not do our job without each of you!
