**Don't miss this great opportunity to
see Susie Koske
present on "Sibling Rivalry"**

Get out of the "referee" rut in dealing with our children and their squabbles! Help siblings get along and deal effectively with their conflicts without separating them permanently!

"Dad, she's in my room getting into my things again!"

"Mom, he won't stop annoying me!"

"Me first! Me first! Me first!"

Sound familiar?

If you have more than one child, the answer is probably "yes", because these are the sounds of sibling rivalry or sibling conflict.

This is a "Parent Only" event. No childcare will be provided.

Please contact Lisa Melahn (lgmelahn@san.rr.com)

if you have any questions.
