

## YEP Summer '09 Offerings

The camp descriptions are listed alphabetically within each grade level category.

### Post K – 2

#### *Animals Galore*

Everyone loves animals! Let's learn about animals and their diverse habitats. Each week a different continent and its inhabitants will be studied. We'll keep a journal, read stories, draw the animals and write information about them. This week, it's North and South America!

June 15-18 501793	9AM-Noon Smyers	Highland Ranch \$105
----------------------	--------------------	-------------------------

June 22-25 501803	9AM-Noon Smyers	Highland Ranch \$105
----------------------	--------------------	-------------------------

#### *Animals Galore*

Everyone loves animals! Let's learn about animals and their diverse habitats. Each week a different continent and its inhabitants will be studied. We'll keep a journal, read stories, draw the animals and write information about them. This week, it's Europe and Asia!

June 29-July 2 501813	9AM-Noon Smyers	Highland Ranch \$105
--------------------------	--------------------	-------------------------

#### *Animals Galore*

Everyone loves animals! Let's learn about animals and their diverse habitats. Each week a different continent and its inhabitants will be studied. We'll keep a journal, read stories, draw the animals and write information about them. This week, it's Africa!

July 6-9 501823	9AM-Noon Smyers	Highland Ranch \$105
--------------------	--------------------	-------------------------

#### *Art from Around the World*

Let's take a trip and explore the geography, culture and art of Ghana, Egypt, and China. We'll read stories, sing songs, look at pictures, make art projects and listen to music during this week of adventure. Join us on our journey!

June 15-18 501833	9AM-Noon Camarillo	Highland Ranch \$109
----------------------	-----------------------	-------------------------

### *Art from Around the World*

Let's take a trip and explore the geography, culture and art of the Netherlands, Mexico, Brazil and Canada. We'll read stories, sing songs, look at pictures, make art projects and listen to music during this week of adventure. Join us on our journey!

June 22-25 501843	9AM-Noon Camarillo	Highland Ranch \$109
----------------------	-----------------------	-------------------------

### *Board Games from Children's Literature*

After choosing a book or novel you will create a board game using elements of the story. By weeks' end you will have a better understanding of the story and a game to share with family and friends.

June 15-18 501853	9AM-Noon Barroga	Highland Ranch \$119
----------------------	---------------------	-------------------------

### *Botany to Beasts*

Explore the world of plants and animals. Examine seeds and plants and see how dispersal works. We'll use tracking techniques to look for clues to find out what animal lives there. We'll contrast and compare animals and put them into groups. You'll become a science detective using live and preserved specimens in hands-on activities!

June 15-18 502203	9AM-Noon Lewis	Highland Ranch \$105
----------------------	-------------------	-------------------------

### *Energize!*

Investigate the types of energy and why each of them is important. Through activities you will learn about electrical, magnetic, solar, chemical, mechanical and wind energies.

June 22-25 502213	9AM-Noon Lewis	Highland Ranch \$115
----------------------	-------------------	-------------------------

### *Expressive Writing*

What is your favorite story? Come tell us about this story and why you like it best! Let's have some fun...you might write a poem or draw a picture about your story. This class involves creative writing strategies that can be beneficial for everyone, but may hold special appeal to gifted youth and those with ADHD.

June 22-25 502223	9AM-Noon Brown	Highland Ranch \$105
----------------------	-------------------	-------------------------

## **Grades 3-5**

### *Art Appreciation from the Masters*

Using books and the internet we will investigate some famous artists. You will write a brief biography of the artist and then duplicate a famous work of art in the style of the artist. We will study Van Gogh, Picasso, Matisse, and Mondrian.

June 15-18 501373	9AM-Noon Delos Santos	Highland Ranch \$115
----------------------	--------------------------	-------------------------

----------------------	-------------------	-------------------------

### *Spanish*

Would you like to begin studying a foreign language? Learning Spanish can be fun with songs, games and activities. The two Spanish classes for this age group will have different games, songs, etc. if you would like to sign up for both sessions. We hope you'll join us!

June 15-18 501523	9AM-Noon Vargas	Highland Ranch \$105
----------------------	--------------------	-------------------------

### *Spanish*

Would you like to begin studying a foreign language? Learning Spanish can be fun with songs, games and activities. The two Spanish classes for this age group will have different games, songs, etc. if you would like to sign up for both sessions. We hope you'll join us!

June 29-July 2 501953	9AM-Noon Vargas	Highland Ranch \$105
--------------------------	--------------------	-------------------------

### *Tennis*

Practice the basic fundamentals of tennis in a fun and enjoyable game format that is fast moving and uses prizes to encourage skill-building. Bring a new can of balls and a racquet plus water, sunscreen and of course, "tennis shoes".

June 22-25 501623	9AM-Noon Stroke	Highland Ranch \$105
----------------------	--------------------	-------------------------

## Middle School

### *3D Fun*

Join us as we create, paint and decorate 3D projects such as papier-mache sculptures forming creatures, masks and Pop Art. You'll learn some cool construction techniques using craft sticks and enjoy exploring your creativity. See you there!

June 29-July 2	9AM-Noon	BMMS
501963	Lesberg	\$109

### *Advanced Sentence Diagramming*

If you already have an understanding of IVAN CAPP (Interjections, Verbs, Adjectives, Nouns, Conjunctions, Adverbs, Pronouns and Prepositions) you are ready for the next step. Let's add differentiating between the construction of simple, compound, complex and compound complex sentences to your repertoire for a great skill set!

June 22-25	9AM-Noon	BMMS
501973	Nolasco	\$105

### *Board Games from Middle School Literature*

After choosing a book or novel you will create a board game using elements of the story. By weeks' end you will have a better understanding of the story and a game to share with family and friends.

June 29-July 2	9AM-Noon	BMMS
501983	Barroga	\$119

### *Camp Style Crafts*

If you enjoy working with your hands and love cool multi-cultural crafts, this class is for you. We'll be making lanyards, weaving projects and making baskets. Taking materials and bringing them to life is fun and productive.

July 5-9	9AM-Noon	BMMS
501993	Lesberg	\$109

### *Cooking for Kids from A dent to Zest*

Kangas

Let's get cookin'! You'll be amazed at the things you'll learn besides how to cook. Making healthy nutritional choices and flexing your reading comprehension, math and science muscles will allow you to have fun and learn at the same time. This learning even tastes good!

June 22-25	9AM-Noon	RBHS
502003	Kangas	\$129

### *Create Accessories for You and Your Room*

Do you like making things? Come and express your creative style as we make things to wear and to accessorize your room. A jewelry holder, necklaces, memory box, framed mirror and a jean pocket purse will be made in class using a variety of materials and embellishments. Come prepared to paint, sand, glue, stitch with needle and thread, and bend wire into fun shapes.

June 15-18	9AM-Noon	BMMS
502013	Clark	\$125

### *Expressive Writing*

Come join us for a chance to learn expressive writing techniques. This class involves poetry therapy and creative writing strategies which are particularly beneficial for gifted youth and those with ADHD.

June 22-25	9AM-Noon	BMMS
502023	Brown	\$105

### *Gateway Academy*

View the complete Gateway Academy for future Engineers Brochure on the website. Two classes will be offered. Students will bring a sack lunch for their half hour lunch break.

June 15-19	9AM-3:30PM	BHMS
