

WESTVIEW FOUNDATION

Dear Parents/Guardians,

Westview has been recognized by Newsweek Magazine as one of the top schools in the nation! The Foundation's goal is to provide the additional financial resources necessary to maintain this level of excellence. This will be a challenging year due to severe budget cuts. Westview is fortunate to retain the majority of its staff, but not without significant cuts in other areas. Class size reduction in 9th grade Math and English has been eliminated, fewer electives will be offered, class sizes have increased in all grade levels, custodians, security, library hours, office staff, transportation and more have also been reduced or eliminated. The Foundation will do everything it can to minimize the impact on our students, but we need your support.

Please consider making a donation of \$250 per student, or \$400 per family with more than one student, to the Foundation General Fund. In years past the Foundation has used donations to purchase LCD projectors, computers, software, supplies, and more.

Your support can make a difference! Please feel free to contact Foundation President, Jerry Bohart at gbohart@bohartlaw.com if you have any questions or concerns.

Thank you,

The Westview Foundation
