ARTICLE: 5.0 STUDENT PERSONNEL
**5.6 FREEDOM OF SPEECH AND
 EXPRESSION**

SECTION 5.6.3 Search and Seizure

1. The California Legislature has prohibited all searches of students that involve:
 - a. Conducting any type of body cavity search of a student manually or with an instrument; or
 - b. Removing or arranging any or all of the clothing to permit a visual inspection of underclothing, breasts, buttocks, or genitalia.

No employee of the District may conduct such prohibited searches of any student.

2. Principals or designees may conduct searches of students, lockers used by students, and the personal property of students consistent with current applicable law as long as such search also is reasonable, is related to the safety and welfare of the school, and does not violate the legal rights of students.
