**ARTICLE: 7.0 SCHOOL AND COMMUNITY
RELATIONS**

SECTION 7.1 COMMUNICATION WITH THE PUBLIC

The Board of Education recognizes that intelligent, informed support of the schools is dependent upon the parents, employees, and community's knowledge, understanding, and participation in the efforts, goals, strategic plan, concerns, and programs of the school District.

The Board of Education appreciates the importance of community involvement and therefore shall strives to keep the community informed of developments within the school system in timely and understandable ways.

The Superintendent, or designee, shall use all available means of communication to keep the public aware of the goals, programs, achievements, and needs of our schools. Members of the community shall have opportunities to become involved in the school and to express their interest and concerns.
