

NO CHILD LEFT BEHIND TARGETS

Elementary Schools

DISTRICT TARGET:

- 100% of all schools in the district achieving No Child Left Behind (NCLB) requirements.

WHAT IS BEING MEASURED:

Just as the district must meet No Child Left Behind requirements and state targets, each school must meet the same requirements. State targets increase in difficulty over time until 2014 when all students are expected to be proficient. The chart below shows each elementary school's NCLB results for 2006. A "YES" in the far right column signifies that all of the requirements specified on page 35, applicable to that school, were achieved.
