

Application for
Peregrine Falcon Project
Spring 2003

This application is for those who would like to do research and field study as nest monitors for peregrine falcons.

You must be willing to work as part of a team.

You will be expected to work somewhat independently.

You will be accessing, monitoring, and keeping a log of activities describing hatching, parenting, and hunting behaviors for a pair of peregrine falcons via a live cam over the internet. You will work on this both at school and at home.

You will make a presentation to the class about the project.

Answer the following questions completely and honestly, to the best of your knowledge.

Why do you want to participate in this project? _____

Is this type of project important? Why or why not? _____

What special interests, abilities, talents can you bring to this project? _____
