

Action Buttons

1. Select the slide to which you wish to add an Action Button.
2. On the menu bar click **Slide Show / Action Buttons**. This will bring up the Action Button icons.
3. Click the Auction Button you want.
4. Use your mouse to “draw” the button on the slide. After you “draw” the button the Action Settings window will appear.
5. Click the tab for Mouse Click or Mouse Over (this will determine how the action is activated.)
6. To create a hyperlink, make sure the button is selected then choose where to have the hyperlink take you.
7. Click **OK**.
