Please turn in this application form to the Counseling Office. Mrs. Moore, of Student Services, will contact you within a few days to set up a tutoring schedule. Tutoring takes place from 2:30 until 3:25 in the Library.

Please contact Mrs. Moore if your child can not attend his or her regularly scheduled tutoring session. If a student does not attend, and the tutor is not notified ahead of time, payment is still due to the tutor. Thank you.
