It is very important that the items listed above be completed, signed, and returned to the school. The PUSD Student Registration Information Form should be completely updated prior to signing it. Please be certain that all of the forms are signed by a parent or guardian, and the student has also signed in the appropriate places. In addition, please be sure to include your e-mail address so that we can forward you our weekly updates.

Other important information and additional forms are located on the school website through a link at: <http://www.powayusd.com/pusdbmms/> click on the "Registration/Enrollment" button and follow the Registration 2009 link.

Your student will receive their Raider Reminder during the first week of school. Please review this handbook carefully with your student and have your student bring it with them to school each day. Always contact the teacher if you have concerns or information that will support student success.

If you decide to purchase Student Accident Insurance, fill in the application envelope, enclose check or money order, and promptly mail the self-addressed envelope.

In order to have your child's experience with Black Mountain to be positive, we want to establish strong lines of communication with your family. I will be sending home weekly connect ed phone messages as well as e-mails highlighting calendar events. Our teachers have obligated themselves to update learning point every three weeks at a minimum. Please get into the habit of listening for my phone messages and sitting down with your child to visit their learning point sites to learn their current grade and how they did on assignments. We will also keep our website updated so that all of our families can stay informed through this site.

Please be sure you and your child sign all of the appropriate forms and return them at your appointed time on registration day.

Sincerely,  
*David Hall*
