#### **Acknowledgment Of Attendance Policy/Waiver And Release Of Liability**

In accordance with the intent of the state legislation that provides funding for the Poway Unified School District's After School Education and Safety Program (ASES), students should attend the program every day for the full range of hours offered (**6:00a.m.-7:30a.m.**). If it is necessary for my child to leave before the end time of the program, my child or I will mark the reason (per the PUSD early-release policy) on the attendance sheet.

I realize this is a voluntary program, and that by virtue of participating I accept the following terms and conditions. The PUSD After School Education and Safety Program and its contractual Partners do NOT maintain accident/injury insurance for students or parents who may suffer injury or illness while participating. Parents are encouraged to obtain their own insurance coverage. My permission for my child to leave campus while unsupervised carries risks such as being struck by vehicles, getting lost, and exposure to crime situations. I realize there are certain risks involved in program participation, and I willingly assume these for myself and my child. These risks include, but may not be limited to, minor or major bodily injury from a variety of accidents, misbehavior of fellow students, noise, contamination, or infections from environmental or personal sources, exposure to sunlight, and possibly the loss of personal property. I release and hold harmless the Poway Unified School District, the Partners in this program, and their employees and agents, from all liability attaching to my voluntary participation in the program, except for injuries or losses arising from the active negligence or willful misconduct of the Partners, their employees or agents. I agree to inform my child that she/he must follow all safety rules as well as any others given during this program including practice, games, or tournaments. I hereby authorize and give my consent for medical care to be given in an emergency situation to the above-named child while she/he is participating in the program. This agreement is binding on my heirs, personal representatives, next of kin, spouse, and assigns. This is to certify that as a parent/guardian of this student, I do consent to his/her waiver and release as set forth above.

In accordance with California Education Code Section 8483 (a)(1), students should attend the program every day for the full range of hours offered. Students who do not attend regularly may be subject to disenrollment. If, for any reason, a child is unable to attend the program every day for the full range of hours offered, the parent/guardian must complete and submit the After-School Early Release section below specifying the days and hours the child will attend and the reason for requesting the modified absence schedule.

It is the intent of the legislature that elementary students participate in the full day of the program every day. Middle school students may attend a minimum of 3 days and 9 hours per week to accomplish program goals.

There are many students who would like to participate in the after- school program; however, limited space is available. Early student releases need to be kept to a minimum. If necessary, staff will contact the parent/guardian in an effort to avoid disenrollment.

Students may be released early from the after-school program prior to the end of the program time for the following reasons:

1. **Parallel Program (outside lessons, sports, church, etc.)**
2. **Family Emergencies**
3. **Family Needs (transportation, childcare, illness, etc.)**
4. **Medical/Dental Appointments**
5. **Weather Conditions**
6. **Medical Emergencies**
7. **Other Conditions as prescribed by the administration**
8. **No Approved Reason**
