## What is a **Hassle-Free** donation?

Black Mountain Middle School PTSA is offering parents a quick and easy way to raise money so the PTSA can provide programs and services for your children without selling magazines, wrapping paper, etc. No selling at all for the PTSA.

Hassle-Free donations are a different approach to fundraising!

Your \$50 contribution per student (suggested donation) will make it possible to cover the cost of PTSA-sponsored programs such as ...after school sports, college readiness, career day, character counts, lunchtime activities, teacher support and much more. The best part is... **NO SELLING!**

**\$50.00 per student is all we ask!**

If you have any questions about our Hassle-Free Donation program, please contact me at [nsansev@san.rr.com](mailto:nsansev@san.rr.com) or (858)722-6904.

Thank you for supporting the students at Black Mountain Middle School and making the PTSA a success.
