Or better yet... let the new Creekside Calendar do it for you.

Have you ever forgotten picture day or had to search the web-site to find out school holidays when trying to book a vacation? No More!

Creekside Educational Foundation (CEF) has created a beautiful 8½" x 11" monthly calendar for the school year (Sept. 2009 - Aug. 2010). Each month is pre-printed with school holidays and important dates. You'll also find the calendar squares are large enough for you to add family information and appointments.

For your convenience we've included pages with vital school information that you'll want at your fingertips throughout the year like: office/attendance-line phone numbers, bell schedules, teacher room numbers, e-mail addresses and more.

Order your calendar now for just \$10. No sponsorship was used to produce this calendar so it contains **NO ADVERTISING**. The price covers the cost of the printing with a portion of the proceeds going to the CEF.
