

2009-2010 Escrip challenge

Welcome to Deer Canyon, whether you are a new family or one with a legacy, The Deer Canyon Elementary Foundation welcomes you to a new and exciting school year!

From Friday, September 4- Friday, October 2, 2009 Deer Canyon Foundation will be having a school wide challenge to increase the number of escrip memberships. The more memberships and cards that are registered the more free money Deer Canyon will receive! This is a free way to help support the teacher supply budgets, Science, music and physical education programs. You can recruit friends and families across the country to help support Deer Canyon Foundation.

By signing up you will help Deer Canyon raise funds for fabulous programs and you can also help your child's teacher get \$200 to use on her classroom! 1 teacher at each level will win \$200 based on the number of accounts that are registered: K-2, 4-5 and special education.

If you already have an escrip account please update it at www.escrip.com and check your cards, once they expire Deer Canyon Foundation does not receive any funding. You also need to send in the form so your child's teacher(s) will get credit.

Below please complete the following information and return to your child's teacher, no later than Friday, October 2. Complete this for each adult who registers for an escrip account. For more information regarding escrip, please contact Susie Grendahl: suziegrendahl@hotmail.com or Stephaine Hudson: Stephaine@san.rr.com
