

## Looking Forward to Second Grade

Dear Parents,

As this exciting school year begins, the second grade teachers would like to welcome you and your child to second grade at Garden Road School. We have compiled a list of suggested supplies that would be beneficial for your child to have. From experience we have learned that these recommended brand names offer the best quality and are long-lasting.

### Suggested Materials

- 2 - 3 black dry erase markers (Sanford Expo fat-tipped)
- Avery glue sticks (2 or more large)
- Ticonderoga #2 pencils (3 boxes of twelve)
- Box of tissues (200 count or more)
- Container of antibacterial wipes for desktops
- Ziploc storage bags (gallon or sandwich size)

The above items will be collected and used as a class. You do not need to label these items with your student's name.

It is also suggested that your child have a regular-sized backpack without wheels.

Please think carefully about the clothing you may buy for your child's school wardrobe. Garden Road's dress code does not allow clothing that is distracting or unsafe for school activities. We do not allow tops which show midriff or bare backs, pants which sag excessively, or shoes which prevent students from participating in active play. All sandals must have back straps and shoes with heels are unsafe for PE. We want you to dress comfortably and safely.

Again, we look forward to meeting you and your child on the first day of school.

Sincerely,

Garden Road Second Grade Teacher
