

KINDERGARTEN AND PEPP REGISTRATION FOR THE 2009-10 SCHOOL YEAR

Next year we will be implementing the district's goal of full day kindergarten to the extent possible based on the space available on our site. The PEPP class, however, will be a 3 hour 20 minute program. Registration for Kindergarten and PEPP will begin on **Wednesday, May 13, 2009**. It will take place from 2:00 – 5:00 p.m. and will continue each day thereafter in the office between the hours of 9:30 a.m. – 2:00 p.m.

Children must be five years old before December 2, 2009 to attend Kindergarten or PEPP. Please note that PEPP classes are filled on a first come first serve basis. During registration we will also be scheduling times for each incoming K student to be assessed by a member of our K team. We are in the process of scheduling a K orientation night so please continue to check our website for more specific information.

Please be sure you have the following information with you when you are registering. ***Please note that you will not be able to register unless you have ALL information, including proof of vaccinations or an exemption from vaccinations (see info below):***

- **Certified birth certificate** (not the hospital souvenir certificate or the request card to obtain the birth certificate) or **passport or baptismal certificate.**
- **Social Security Card**
- **Two current proofs of residency**, ex: escrow papers, rental agreement, rent receipt, utility bills, bank statement, deed to home, property tax receipt. (Check books and drivers licenses are not acceptable)
- **Immunization records:** Immunization record is a personal record with entries made by a physician or clinic, not dates from a baby book. You must have the following to enroll:

All children are required to have their vaccinations fully completed before enrolling in Kindergarten or PEPP unless exempted as provided by law.
