

Kindergarten Supply List (PEPP students NOT included)

Welcome to Monterey Ridge Elementary School! We can't wait to meet you! We are sure you are excited to start school. However, please wait before purchasing a backpack and supplies. Some Kindergarten classes use special folders instead of backpacks.

Each kindergarten teacher uses different items throughout the year and therefore, each teacher is in need of different supplies. We would love it if you could donate a gift card so that each teacher can shop as needed. Office Depot, Target, Walmart, Staples, Who's Smart, A+ Teaching, and Michael's are all favorite places for teachers to shop. Thank you so much for your consideration.

If you would also like to send in supplies, the following are used by all teachers. In order to make supply buying easier and more convenient, there will be an opportunity to order these supplies from an on-line company. Look for info regarding this company on our website this summer.

- Ticonderoga #2 pencils (2 boxes)
- Crayola crayons (2 boxes, 24 count)
- Elmer's White glue (4 bottles, 4oz.)
- Glue sticks (6)
- Gallon sized Ziplocs (1 box; no slide lock)
- Quart sized Ziplocs (1 box; no slide lock)
- Band-Aids (1 box, Latex-free)
- Kleenex (1 box)

Thank you! We are looking forward to teaching you this year!

The Kindergarten Teachers
