Dear Future Kindergarten Parents:

Our priority at Monterey Ridge is to ensure the best possible experience for your child in this his/her first year of formal education. Creating classes with the best possible mix of students is a delicate and time-consuming task. Please take a moment to fill in the bottom section of this form, so that we may properly balance classrooms. The school administration will review your special needs and factor them into the placement process but keep in mind that the **final decision rests with the school staff**. All forms need to be turned in by May 29, 2009.
