

Hello, Parents:

My name is Kenya Bohn. I am a counselor at Mesa Verde Middle School. The joy of working with your children includes offering opportunities for them to participate in special projects. That is why I am writing you this message regarding our new food pantry program.

As we are all aware, these are difficult times for many of our families. In response to their needs, Mesa Verde Middle School is establishing a food pantry on campus. We need your help! If you are able, please donate non-perishable food items. We will collect the food in your child's basic education classrooms, or your child can drop off items in the library. All items received will be available for pick up. Also, we will arrange for an outside volunteer to deliver food items to the homes of families. A list of food items needed or collected will be available on the Mesa Verde Middle School Web site. Just click on the "counseling page."

For more information about the food pantry, or if you or someone you know could benefit from the food pantry, please contact me at (858) 538-5478 ext. 3324. Or, you can send me an e-message at EBohn@powayusd.com.

Thank you for your support.
