## Class Descriptions

**BABYSITTER TRAINING** The Health Source, the Community Education department of Palomar Pomerado Health will teach boys and girls to become responsible and safe baby-sitters. The class includes instruction in responsibilities, bathing and diapering, infant CPR (non-certified), fire safety and planning, selecting games and toys, preventing accidents and giving first aid. A workbook will be provided, and students should bring a pencil. Because of the length of this workshop we suggest that students bring a snack to enjoy during the break.

**BASKETBALL** The basketball program is for aspiring young players. Games, contests, and drills will be used to help young players develop their skills such as passing, dribbling, shooting, rebounding, and defending while learning how to work within the framework of a team. Students of all skill levels are welcome. The instructor has been coaching basketball for many years and enjoys sharing the passion for the sport with young students.

**CLAY** This is a hand-building course using slab, coil and pinch methods. Projects include functional pieces such as mugs, bowls, banks; and sculpture pieces might include castles or animals. Pieces are both bisque and glaze fired. Pride and self-satisfaction are the byproducts of this class. Students may want to bring an old paint shirt to keep their clothes clean. A professional potter will instruct this class. New and returning students are welcome. Returning students will be challenged with new projects.

**DANCE PERFORMANCE TEAM** Students will have opportunities to perform at a variety of school events. The team will also participate in outside community performances and competitions. Registering for this class requires three years of dance experience and instructor approval prior to the commencement of the program. All interested students are invited to attend the audition prep. **The audition prep workshop will be held on Tuesday, September 22<sup>nd</sup> from 8:00 – 9:00 am** **The audition will be held on Tuesday, September 29<sup>th</sup> from 8:00 – 9:00 am.** The audition prep workshop and audition will be held in the Multi-Purpose Room. The professional staff from Danceology will be providing the instruction for this class. Please do not register for this class until after you have been accepted on the team. Once the student is accepted they will receive registration instructions. This is a year-long commitment.

**GUITAR** In this beginning acoustic guitar class, students will learn tuning techniques, notation, correct strumming and finger picking. They will learn to play four to six basic chords. Students will practice and perform one or two songs by the end of the session. All skills are easily applied to the electric guitar. No previous experience is necessary. The instructor has many years of performing, recording, and instruction experience. He has taught guitar for the past 10 years. Students should provide their own guitars. Class size is limited, so sign up early.

**JAZZY JEWELRY** Learn the basics of beading, wire wrapping, polymer bead making, and color selection to design your own necklaces, earrings, bracelets, bookmarks, cell phone charms, anklets, and more. Experiment with different types of tools, beautiful glass beads, and metal findings to make hand-made treasures you'll want to wear everywhere! All supplies are provided. The instructor has been creating jewelry for years, and loves to share their talent with kids of all ages.

**MARTIAL ARTS** West Coast Martial Arts Academy's Life Lessons are fun for kids and teens. The program supports parents in raising more courteous, cooperative, and confident children. Students will safely learn effective self-protection skills, including bully proofing and peaceful conflict resolution in a non-contact environment. Classes incorporate simple exercises and skills appropriate for every fitness level. The program culminates in a fun multi-school graduation ceremony during which participants receive a White Belt and graduation certificate. Uniforms are NOT required, but school logo tee-shirts are available for \$15. Students should wear loose, comfortable clothes suitable for exercise, including pants and tennis shoes.

**PIANO (Musical Keyboarding) - LEVEL I** This is an introductory class in which students learn the basic “nuts and bolts” of the piano keyboard with lots of hands-on participation. Students will learn a variety of fun, easy-to-play songs. A great time will be had by all as they learn how to clap and speak rhythms and move to a beat. All of the notes of the music alphabet will be explored along with simple notation (note values) and dynamics such as Forte (loud) and Piano (soft). Class size is limited to six students. Students must have a piano or simple keyboard at home for practicing.

**TENNIS** Mike Rogers, a certified professional and member of the USPTA, has designed a course which will introduce the students to tennis. This proven course will teach the students efficient movements and allow them to play the game more effectively in the future. The rules, serve, forehand, backhand, volleys and the overhead smash will be covered. Classes will take place on the school’s blacktop using the volleyball courts and backboards. Racquets and balls are provided. Students should wear tennis shoes and comfortable clothing. New and returning students are welcome.

**For the Safety of the Children...** Supervision is provided only during class time. It is imperative that students are picked up immediately after a class. The school office closes at 4:00 p.m. and the office staff leaves at that time. Any parent who is more than five minutes late will be charged at the rate of \$1 per minute payable to the instructor at the time of pickup. The student will not be permitted to return to the program until the late fee is paid. The administration of this program is separate from the school and it would be appreciated if you did not phone the school with “reminder” requests. Thanks for your cooperation.

#### POLICIES

- ◆ All instructors are professionals in their respective fields and have been fingerprinted, have tuberculosis clearance, and are CPR/ First Aid-certified.
- ◆ Transportation is not provided for the program.
- ◆ Supply costs are included in class fee unless noted.
- ◆ Times, length of sessions and locations all vary for each class. Read descriptions carefully and mark your calendars to make sure your student attends.
- ◆ School rules apply. Good behavior is expected. If a disciplinary problem develops, the student will be dropped from the class and no refund will be made.
- ◆ Class sizes are limited. Generally there are 6 to 20 students per class. Fees vary with class size and supply costs.
- ◆ There is a \$25 charge for returned checks.
- ◆ If a refund is necessary, there is a \$15 processing fee.
- ◆ Late applications will be processed subject to a \$15 late fee and class availability.
- ◆ Ideas and suggestions for new classes or comments concerning the program should be sent to:  
Virginia Valente, Kidztime, 16624 Santa Mariana Court, San Diego, CA. 92127.

**Classes are established based on sufficient enrollment. There are no refunds after class sizes are established as this may cause the class to fall below the minimum number of students required. Classes are filled on a first-come, first-served basis.**
