Dear Poway High School Parents:

During times of financial crisis, schools are forced to become much more conservative in providing quality programs than they do when budgets are plentiful. Our philosophy, and I believe it represents your thoughts, is to continue to aggressively seek to provide the best for your students. This cannot happen without financial support which stretches above and beyond state funding. Poway High once again looks to its constituents to help provide the most and the best by supporting us with financial donations.

Please read the message, below, from Poway High Foundation Chairman, Steve Winton, and consider the ways in which you can become "Friends of Poway High."

Scott Fisher, Principal

The Friends of Poway High Foundation is a non-profit corporation that exists solely for the benefit of Poway High School students. With the severe budget crisis we face in California, and its impact on Poway High's funding, the work of the Foundation in raising money to support the school is more critical than ever.

The Foundation endeavors to bridge the gap between the amount of money actually provided by the State of California and the Poway Unified School District, and the amount necessary to provide a first-class, high-quality education to our students. This can only be accomplished with the generous support of parents and the business community. The Foundation hopes to raise over \$100,000 this year to meet the needs of our students.

The Foundation is an Internal Revenue Code Section 501(c)(3) Charitable Organization, ID#33-0823876. Thus, all contributions are tax deductible. To help make Poway High an even better school through your tax-deductible donation, simply fill out the form at the bottom of this flyer and return it to school in your student's registration packet. You may also mail your check to *The Friends of Poway High Foundation*, c/o PHS, 15500 Espola Road, Poway, CA 92064. If you would like to help with Foundation fundraising events, please complete the volunteer information on the form below or contact Steve Winton at 858-385-0040.

Thank you for your continued support of Poway High School and all of its students!

Steve Winton, Chairman
