

# JOIN POWAY HIGH **PTSA**

## BECOME A PART OF THE *TITAN* FAMILY!

The Parent Teacher Student Association (PTSA) invites you to join us in our combined efforts for every student at Poway High School. We welcome your interest, energy and continued involvement in your student's life. Poway High has an enrollment of over 3,000 students.... That means the students need you now more than ever before!

Your membership fees support Poway High School PTSA. In addition, the **Direct Donation** is a one-time monetary contribution of any amount. One hundred percent of your donation goes directly to Poway School PTSA and is used to help support the many student-centered programs, a few of which are listed below:
