

# *Poway High School Senior Project*

## Parent Information/Contact Sheet

The seniors at Poway High School are about to embark on a year-long project that will allow them to apply their academic skills to real-world situations. Each young person will set goals, design tasks, call on community contacts, and complete class assignments to fulfill the project requirements and experience personal growth and the satisfaction that comes with it.

The Senior Project will require that students

- ❖ work with a mentor
- ❖ do independent work off campus
- ❖ be responsible and professional
- ❖ conduct 2 personal interviews
- ❖ use the internet

On their personal journeys our seniors will need the support of teachers, staff, peers, and especially parents. By the end of September students must have plans and contacts in place. We would like you to chat with your son or daughter about their goals and spend some time looking over this packet of information and requirements. Then please take a few minutes to communicate with your son's or daughter's teacher and to confirm your awareness of your senior's plan for this year.

PLEASE FILL OUT AND SIGN THE CARD BELOW. SENIORS WILL THEN CUT IT OUT AND RETURN IT TO THEIR SOCIAL SCIENCE TEACHERS.
