GIVING THANKS

During this time of year we reflect on the things that we are thankful for. We would like to thank all of our families for being so supportive and caring. We are thankful each day that we are able to spend time with your children and to be a part of their lives. We are grateful that we are able to give them a chance to grow, explore and learn. We appreciate their smiles, their laughter and joy that fill our days. We hope you enjoy a wonderful Thanksgiving holiday filled with family, friends, and fun!

WINTER CAMPS:

This year, ESS will be holding Winter Camps for children attending ESS, December 21-23, and 28-30. This year, Winter Camp will be held here at home at **Pomerado**. We will also have students here from Creekside and Valley ESS. There are many fun activities planned by experienced ESS staff. Staff from each of the programs will be joining together so that children will be with their favorite ESS staff for the Winter Camps.

Fees for Winter Camps per week are as follows:

Dec. 21-23, 2009	Dec. 28-30, 2009
1st Child =\$90.00	1st Child =\$90.00
2nd Child=\$76.50	2nd Child=\$76.50

Please fill out a Fee Adjustment Form by Friday, Nov. 6 **without** a payment. After Nov. 6, you must include payment with a Fee Adjustment Form.

Friday, December 4 is the last day to register for Winter Camp

COLD/FLU SEASON:

It is cold and flu season again. Please help us by keeping your children home when they are not feeling well. It is District Policy that children remain at home for 24 hours after the fever has returned to normal or vomiting has stopped. If we all take precautions, we will be able to stay healthier this season. Thank you for your cooperation.
