Dear RBHS Parents,

2009/2010 Registration

As we are all aware, budget cuts from our state and school district have significantly impacted school programs. The RBHS Library is no exception. For 2009/2010, the RBHS Library lost the library assistant position and will have only one staff member, the Teacher Librarian to service the entire student body and teaching staff at RBHS. Budget cuts from previous years had already reduced state funding for library-specific resources to \$0.00/student. The RBHS Library has no guaranteed state or district funding to purchase library resources for our students. **We need your help!**

Over the past five years, the RBHS Friends of the Library has raised funds to purchase science/technology and foreign language books, biographies and other books to support the 9<sup>th</sup> and 10<sup>th</sup> grade English classes, electronic media, and online databases, as well as fund extended library hours. **For the 2009/2010 school year**, we will focus on raising funds to acquire new books, instructional resources to replace many that are outdated and advocate to restore the Library Assistant position.

Please consider how you can support the RBHS Library.
