

# **COIN3 Assignment – 11<sup>th</sup> Grade - Revised: February, 2010**

**Suggestion:** After you get to the COIN3 home page go to the bottom right corner and expand the page as far to the right as you can so that you can see two scroll bars.

COIN3 is a software program where you can do a number of things such as searching for colleges, writing a resume, taking a self-assessment survey, etc. RBHS has paid for this service so that you can begin to prepare for life after high school. In order to introduce you to COIN3, we want you to complete this assignment. It should take you only about 15 minutes. You can do it on any computer that has internet access.

The assignment is for you to do three tasks and print the results:

Directions:

1. Log on to COIN3 at <http://community.coin3.com>
2. Enter your **User Name, which is your RBHS student ID#**
3. Enter Your **Password - - (All grades.)**
  - Your “Password” is your student ID #. \_\_\_\_\_
