IMPORTANT REMINDER:

We try very hard to keep you, our parents, as informed as possible of our ESS schedule. We have our Parent Board which provides all of the information and deadlines needed for upcoming events. We provide monthly newsletters filled with timely information, deadlines, and updates within our program. As always all of this information is posted on our website to be accessed 24 hours a day. Even with all of these avenues of communication, we still have people stating they "weren't aware" that there was a deadline or that they were never informed about other important information. PLEASE take a few minutes to review all of the information provided for you. Staying informed will help us provide a better program for you and your child.

STAFF APPRECIATION:

I would like to take this opportunity to thank the ESS staff for the loyalty and commitment they have given to the program and to your children. They work hard to ensure that we offer a fun, well organized, and enriching program. Thanks!

MRS. MAILLOUX'S VACATION:
