

## **WELCOME**

### **FRIENDLY REMINDERS**

Lunches- please provide a lunch and disposable drink each day except where noted on the calendar. No glass containers, please. It is important to remember that ESS does not have the space for refrigeration of lunches, nor are we able to microwave your child's lunch. If your child would like a morning snack, please pack it in his/her lunch. On field trip days, each child is responsible for carrying his/her own lunch. To make it easier on your child, it is advised that lunches be packed in disposable bags.

### **ADMINISTERING MEDICINE**

Before ESS staff can administer medication (prescription or non-prescription), your child must have a PUSD Authorization for Medication Release Form on file with Shoal Creek ESS. These forms are available at ESS. For medication such as sunscreen, cough drops, and chapstick, the release form need only be completed by a parent. For all other medications, a parent and doctor must complete the form. We need to keep **ALL** medications (even sunscreen) in our cabinet and administer them as required. The medication must be in its **original container** with the label and directions intact and have your child's name on it. Each child is responsible for applying his/her own sunscreen. The ESS staff is no longer able to apply sunscreen to the children.

### **FIELD TRIPS**

On all field trips please be sure to have your child wear their ESS T-shirt and good walking shoes. Also, please have your child at ESS at least a half-hour **BEFORE** departure time. Children do not need extra money for field trips, unless otherwise stated on our calendar. Individual field trip permission slips are required for each child. If we do not have a signed slip for your child, he/she will not be able to attend. We need individual signatures for each trip. If your child will not be joining us for a certain trip, other childcare arrangements will need to be made because all of the Shoal Creek ESS staff will be on the field trips. **There will be no one left behind to watch your child.**

Once we have left the campus, you **MAY NOT** bring your child to the field trip to drop off with us. We don't always have extra seats on the bus, and it becomes very difficult to keep track of the number of children we are responsible for, if that number changes in the middle of a trip. This also applies to picking up early from a field trip. If your child will need to be picked up earlier than our return you will have to find alternative care for your child on that day.

### **BEHAVIOR**

**ALL CHILDREN ARE EXPECTED TO FOLLOW THE SAME RULES AS THE SCHOOL RULES.**

If your child has behavior problems while on a field trip, during a guest speaker visit, or while in the ESS center, it may be necessary to exclude your child from future trips or guest speaker visits.
