

Tips for a Successful First Day of Kindergarten

(That's a day filled with smiles and no tears - that goes for Moms and Dads too!)

- School hours are 8:10 to 12:00 for Kindergarten students and 8:10 to 11:30 for PEPP students on Thursday, August 20th. Please help your youngster find his/her line up location on the kindergarten playground.
- Please provide a separate labeled snack in a brown bag. Lunch should be in a lunchbox with your child's name and room number on it (Kindergarten only). You can place it in the designated tub.
- Please do not buy a backpack and or binder. A clear folder will be given to each student on the first day of school! This is one of the items your \$5 donation is providing.
- Due to the budget crisis, we are requesting all suggested school supplies (see attached) be brought in on the first day of school. Please place them in the designated containers for each item at your child's classroom. Your donations are vital to our program! (Thank-you in advance!)
- Please line up at the designated room number and wait with your little one until the teachers come out to greet you all. Then the children will be invited to come inside and begin their first day of kindergarten! Please make your good-byes brief and positive. If you hesitate, they will!
- Please help your youngster be on time for school and arrive promptly for his/her dismissal.
