<http://firstlinemerchant.com/PUSD/ess.htm>

You can pay by electronic  
check, credit card or debit.

*There is no service charge.*

## ADOPT A FAMILY BOOK SALE

As we start the time of the year to reflect on what we are thankful for, please remember those who have less than we do. Sunset Hills PTA is having a fundraiser for the Adopt-A-Family program. They are selling used books in front of the Sunset Hills office. Hardbacks are \$1.00 each and Paperbacks are .50 each. 100% of the sales go to Adopt-A-Family to help a family in need. Please stop by and take a look at the assortment.

## WINTER CAMP

Once again, ESS will be holding **WINTER CAMP** for children attending ESS, December 21-23, and 28-30. There are some changes from last year that we hope make this year's camp a bit easier.

This year Sunset Hills will have the honor of being the host site. Joining us will be Adobe Bluffs and Deer Canyon. Staff from each of the schools will be combining together so that children will be with their favorite ESS staff for Winter Camp.

You can enroll your child for either **all 6 days or just one of the three-day week packages**, 12/21-23 **OR** 12/28-30. Cost is \$90.00 **per week** for the first child, \$76.50 **per week** for the second child.

Look for our Winter Camp flyer for more information.

## IT'S FLU SEASON

At this time of year children start catching the colds and flu that are making the rounds. PLEASE help us by picking up your sick child as soon as possible when you are called, and by keeping your child home when they are not feeling well. It is District Policy that children remain at home for twenty four hours AFTER a temperature returns to normal or vomiting stops. If we all take precautions, we will all be able to stay healthier this year. Thank you for your cooperation.

## LATE PICKUP REMINDER

Please note that during this season weather gets worse, causing traffic to worsen as well. The possibility of being late to pick up your child is higher. It is a good idea to have an arrangement with a friend, a neighbor, or a relative to pick up your child in case you are unable to make it by 6:00 pm. Take time to review your emergency card and add anyone who is able to pick up your child. Children will only be released to people with names on the card and with a picture ID.

Although the ESS staff are committed to giving you and your children the best service, they have their lives and other commitments to attend to and would appreciate leaving work on time.

Please remember a late pick-up fee of \$1.00 per minute, per child, will be assessed when children remain past closing time. Failure to adhere to program operating hours may lead to program dismissal.
