SNEEZING, COUGHING, ACHING, FEVER, STUFFY NOSE, & SORE THROAT:

Does this sound familiar? If the answer is yes, please do not send your child to school or ESS. Everyone is getting hit hard this season with the cold or flu and it takes a long time to recover from it. In order for the ESS and school staff to administer medication, we must have an PUSD "Authorization for Medication Administration" form. The form must be signed by your child's doctor and parent. The medication must be in the original container and directions attached.

"It's Raining, It's Pouring!!"

We are well into the "rainy season". When it rains in San Diego, the traffic seems to come to a complete stop instead of the usual slow crawl. Please don't forget that E.S.S. closes each day at 6 pm. If you get stuck in traffic and are late picking up your child, it will cost \$1.00 per minute, per child. Be sure that you have a back up plan for someone to pick up your child when you are delayed due to the rain and/or traffic. Our staff says thank you since they too have obligations after 6:00 pm.

Thank You

The Staff would like to thank all of our thoughtful and generous families for your multitude of gifts and holiday wishes. We were overwhelmed with the abundance of candy, food, gift cards, movies, cups, cards and so much more. Your kind words and trust means so much to us.
THANK YOU!
