

Dear Parents of Incoming 5th Grade Students, **5th Grade Supplies**

We want to take this time to inform you of what your child will need to bring to school with him/her on the first day of 5th grade. The following is a suggested supply list:

1. 2 - boxes of facial tissue
2. 1 - box of 12 #2 or mechanical pencils (please sharpen the regular pencils)

Of course, the school will have backup supplies for students who are not able to bring these items with them, but having their own school supplies gives students a sense of the importance of their work. These are the basic tools of the trade, and your son/daughter will be more confident if he/she comes to school ready to work.

We thank you for anything you can provide!

Sincerely,
The Fifth Grade Team

*Students should bring their supplies the first week of school.
