

Tierra Bonita Elementary

Do you own a business? Advertise it in the TBES local business directory!

Businesses owned by members of the Tierra Bonita community can now advertise online in the TBES Business Directory at <http://business.tb.es.org>.

Please submit your information to jerpelding@powayusd.com.
Be sure to include:

- A short (under 100 word) description of your business. If you would like one or more links to your website embedded in your text, please indicate the full website address and specify which words you would like linked. If your business is required to be licensed, please include your license number in the description.
- A logo or other graphic in jpeg, gif or png format. Please visit <http://options.tb.es.org> to see our available display options and image requirements for each option.
- Please consider offering a discount to the TBES community or a donation to TBES for each customer who found your business in the TBES Business Directory.

We have several options available for how your text and graphics will be displayed on the web page. Check out the examples at <http://options.tb.es.org> and let us know which one you would like to use when you submit your information.

We reserve the right to edit your copy for clarity and grammar.
