

# Turtleback Education Foundation

*Enhancing the Education of Turtleback Students*

The Turtleback Education Foundation invites you to join us at our **inaugural Wine and Cheese Fundraiser – “Toast to Turtleback”**. This evening of fine food and wine, entertainment, and an exciting silent auction will be held on **April 23, 2010 at Café Merlot at the Bernardo Winery**. It is the Foundation’s goal to enhance the educational experience of all Turtleback students by providing materials, staffing and other top priority needs.

As you are aware, the State budget has significantly limited the funds available to our elementary school program. This poses a considerable challenge as Turtleback Elementary strives to enhance our students’ education and learning experience. Without the generosity and leadership of individuals such as you, we will not be able to continue providing the level of instructional excellence that we have all grown to expect and enjoy for our children. The future of our community relies upon the quality of today’s educational experience - the children of Turtleback Elementary will be the future entrepreneurs, educators, and political leaders of our community.

We hope that you will get involved with this year’s special event by donating an item for our silent auction. Enclosed is a silent auction item description sheet. As an auction item donor:

- Expose your company to over 600 local parents, teachers, and staff through recognition on Turtleback Education Foundation's web site.
- Receive recognition by being included in the event program distributed to over 200 guests at the **Toast to Turtleback**.
- Signage recognition at the auction table the evening of the event.

We look forward to speaking with you in the next few weeks. Do not miss out on this truly “tasteful” affair. Sincerely,
