

Turtleback School & Staff Support Poway Unified School District's Adopt-A-Family Program

Please consider helping a less fortunate Poway Unified School District family this holiday season. The Adopt-A-Family program is starting in November so that the receiving families can (hopefully) feel a bit more relaxed as the holidays approach.

The Turtleback Adopt-A-Family program will end Monday, November 30.

If you would like to help,

- Go to the office, ESS, or the preschool room
- Take the tag detailing an item from a receiving family's wish list
- Buy the item
- Return the unwrapped item to the designated box in the office, ESS, or preschool

We would greatly appreciate your tax deductible donation in the form of an unwrapped gift, a gift card, or cash (checks can be made out to Turtleback PTA).

Look for us in front of the school with tags ready to answer any questions before the start of school on November 10 and after school through November 13.

If you have any questions please email Jennifer Bivin @ j_bivin@hotmail.com or Rachel Dixon at dangrant@rocketmail.com.

Thank you!
