A famous African proverb says, “It takes a village to raise a child.” This is even truer today as many schools across the nation face budget cuts.

Please take a moment to look at the top of this flyer. There you will find a sample of the many functions the PTA supports at Turtleback. Without member support, these functions would not occur. Becoming a PTA member will also give our PTA Council larger numbers, hence a larger voice, when we face-off with California politicians in Sacramento when discussing issues such as school budget cuts. Please join the PTA so your voice can be heard.

If each family has a member in the PTA, that will make Turtleback more connected and better informed. We can all do our part to help raise our village here at Turtleback!

Please take a moment to fill out the PTA membership form and bring it along with all of your other paperwork to enrollment.
