

P.E. Clothes And Locks Available at Registration

It is our philosophy at Twin Peaks that Physical Education should be what the term indicates: educating students about their bodies and creating enthusiasm for physical activity. To achieve this goal, the Physical Education department requires all students to dress in a P.E. uniform. Students need a plain light gray T-shirt or Twin Peaks P.E.

T-shirt, black athletic shorts (without zippers or pockets) along with socks and athletic shoes. All students are also required to have a combination lock for their P.E. locker.

Purchasing the Twin Peaks uniform package helps support our program and provide quality equipment and activities for our students. The P.E. department sells the Twin Peaks P.E. T-shirt, shorts, and locks at Registration and throughout the school year. However, you may purchase these items elsewhere if needed. T-shirts and shorts come in S, M, L, or XL sizes. Prices for these items are:

Twin Peaks P.E. t-shirt (boys/girls) (Light gray with turquoise trim (ram logo))	\$10
Black nylon athletic shorts (boys/girls)	\$15
P.E. Combination Lock (green)	\$ 6

PE Pack (1 pair shorts, shirt, & lock) \$30.00

You may purchase these items at registration with cash or check. All checks must be made payable to Twin Peaks Middle School.

If the cost of purchasing these items presents a problem or a financial burden to you at this time, please contact Mr. Lusk at 748-5131, ext. 2502 or email him at jlusk@powayusd.com.

REGULAR LOCKERS: Since 6th graders are only assigned P.E. lockers and only need 1 lock. However, 7th & 8th graders will receive their regular locker assignments at registration and will need to purchase a TPMS-issued lock. If they have one from prior years, they may use that one. Regular school locks in addition to P.E. locks will be available for purchase at Registration. New locks cost \$6 and used green cost \$4. Again, cash or checks are accepted. Make checks payable to TPMS.
