

# WESTVIEW **W** WOLVERINES

Dear Westview Students and Parents,

We are writing with important information regarding **SAT & ACT preparation – MOCK TESTING**. Please note **this is an opportunity for students to take a full length mock SAT or mock ACT, not the actual SAT exam administered through the College Board.**

Taking a mock SAT or mock ACT is a valuable exercise that can help to increase a student's performance on the actual SAT or ACT. Westview's PTSA has teamed up with Revolution Prep Services to offer students the opportunity to take a mock SAT or mock ACT, which will include a complete mock exam including an essay. All sections of the mock exam will then be graded by Revolution Prep.

**Scores from either mock exam will be provided online at [www.RevolutionPrep.com](http://www.RevolutionPrep.com).** On test day students will be given a login ID number and their Password will be their last name.

The **Mock SAT and Mock ACT** will be on **Saturday, November 8, 2008, from 9:00am to 1:00pm.** **Students should arrive no later than 8:30am in the lunch area on the Westview campus.**

**Students must bring #2 pencils and a calculator.**

The price for the practice exam is **\$25, payable to Westview PTSA.** Please return the **sign-up form at the bottom of the page and your check to the Finance office no later than November 5.** 100% of the proceeds will be used to fund PTSA programs for our Westview students and staff.

In addition, Revolution is hosting a **same-day information session for parents and students.** Parents should arrive at **1:00pm at the teacher's lounge** where students will join them for a "test comparison workshop" that gives a thorough overview of each college entrance exam followed by a "**test strategies workshop**" that covers Revolution test-taking strategies.

**All of these sessions take place on November 8, as follows:**
