Westview students are required to dress in the required Exercise and Nutritional Science uniform and participate on a daily basis. Any student who does not have the proper clothing will be issued a loaner uniform. Citizenship and effort grades will be affected for the use of loaner uniforms. Certain days, students will not be required to dress out in the ENS uniforms, but it is important that the uniforms are kept in their lockers at all times.

We recommend the purchase of Westview ENS shirt and shorts. Plain white shirts and plain black shorts are also acceptable. Athletic shoes, socks, and appropriate swimwear will also be required.
