### School Description and Mission Statement (School Year 2007-08)

This section provides information about the school, its programs and its goals.

Creekside Elementary School is part of the award winning Poway Unified School District. Creekside has the distinction of being the 21st elementary school in the district and the first school to open in the 21st century. Creekside was built with a vision for the future and preparing our students to be productive citizens and experience successful careers. The physical structure of Creekside is unique. It consists of 30 permanent classrooms as well as two temporary classrooms organized into five villages. Each of the villages contains six teaching stations or classrooms, student restrooms, a staff restroom, as well as a workroom and a large village "square" or common area. The common area is used for individualized instruction, groups to collaborate, space for technology, and parent volunteers to work. In addition, the main building houses the administrative office, a full size multi-purpose room, library, computer lab and the special education programs. The before and after school care and the preschool are also located in the center of the campus adjacent to the cafeteria and lunch area.

The staff of Creekside represents a group of outstanding individuals who are well educated and trained to meet the needs of each child. Staff, parents and students have come together to create a positive learning environment that provides numerous opportunities for all children to experience rigor, relevancy, and relationship building. Our high API score is evidence of our students' academic achievements. With the support of our PTA and Creekside Educational Foundation, we have also been able to provide our students with enrichment opportunities in technology, art, music and physical education. The support of parents and the numerous volunteers on campus each day contribute to the success of our students.

**Mission Statement:** Creekside Elementary School is a community of lifelong learners committed to high academic achievement and respect for all in an environment that fosters responsibility, collaboration, communication and celebrations.

This section provides information about the school's comprehensive safety plan.

Creekside places a strong emphasis on safety for students and staff. Emergency plans are reviewed frequently. Annual training procedures and drills for earthquakes, fire, and bus evacuation are held. Maintenance staff work with a scheduled preventive program to offset costly repairs whenever possible. Extended Student Services is available to students for before and after school childcare.

### IV. School Facilities

#### [School Facility Conditions and Planned Improvement \(School Year 2008-09\)](#)

This section provides information about the condition of the school's grounds, buildings, and restrooms based on the most recent data available, and a description of any planned or recently completed facility improvements.

The school district ensures that students attend clean and safe facilities. The district's maintenance staff follows a comprehensive scheduled preventive and deferred maintenance program to offset costly repairs and minimize disruptions to the instructional program. A \$198 million school bond was passed by the community in 2002, which is funding the renovation of 23 older schools and replacing the oldest school in the district. Planned renovations at each school will address inequity of learning facilities, expand core facilities, add classrooms and improve access to technology.

In accordance with Education Code Section 17070.75(e), the District uses a School Facilities Inspection System developed by the State of California to ensure that each of its schools is maintained in good repair. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Daily cleaning schedules ensure that classrooms, offices and bathrooms are clean and well maintained. Playgrounds and fields are ample and well maintained. A full time custodian is on every campus throughout every school day. A night custodial crew cleans classrooms, restrooms and offices daily. The district has adopted cleaning standards for all schools. A summary of these standards is available at the district offices.

The CSTs include English-language arts (ELA) and mathematics in grades 2 through 11; science in grades 5, 8, and 9 through 11; and history-social science in grades 8, and 10 through 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found on the Standardized Testing and Reporting (STAR) Results Web page at <http://star.cde.ca.gov>. *Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.*

## X. Accountability

### Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the API Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

### API Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2005-06	2006-07	2007-08

### **Adequate Yearly Progress**

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the AYP Web page <http://www.cde.ca.gov/ta/ac/ay/>.

### AYP Overall and by Criteria (School Year 2007-08)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall	Yes	Yes
Participation Rate - English-Language Arts	Yes	Yes
Participation Rate - Mathematics	Yes	Yes
Percent Proficient - English-Language Arts	Yes	Yes
Percent Proficient - Mathematics	Yes	Yes
API	Yes	Yes
Graduation Rate	N/A	Yes

### Federal Intervention Program (School Year 2008-09)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the AYP Web page at <http://www.cde.ca.gov/ta/ac/ay/>.
