

# READING GOALS

## Guidelines:

- You must complete enough books to meet the page requirement for each month. The books should be appropriate for your reading level and age. If you are unsure if a book is appropriate, ask your teacher!
- To receive credit for the pages, you must completely fill out a summary form and have it signed by a parent. It must be turned in to me on or before the due date for that month.
- You must also take either an Accelerated Reader or BookAdventure.com quiz on one of the books you read each month. You must provide proof that you passed the quiz (a printout of your score page signed by a parent). Plan ahead—not every book has a quiz associated with it!
- If you pass a quiz for a book, you do not need to write a summary for that book. Simply fill in the basic information (title, author, etc.) and write "PASSED QUIZ" in the summary section. Make sure you turned in your proof that you passed!
- **REMINDER:** If you don't make your monthly reading goal, you are **AUTOMATICALLY** disqualified from being in Club 90 for that grading period. So make sure to stay on top of things!

Student Name: \_\_\_\_\_ # \_\_\_\_\_

Reading Goal for the month of (circle one): September October November December January February March April May
